### A FEW NOTES

It would seem that there is more than usual effort being put forth to check losses in the conference and some success is noted in several directions. The finances keep up well. The conference does not seem discouraged. Many are the revival efforts being put forth and the conference made special plans to see new work opened this year. Yet with much regret do we note a loss of twenty members from our rolls.

The Mansfield District showed a gain of twenty-one members while the other a net loss of forty-one. Nineteen points reported a gross loss of seventy-one members and sixteen points showed a gain of fifty-one members. It has been thought that the installing of a new conference budget last year based on membership had to do with the losses reported.

The missionary work seemed to show signs of prosperity. Our own missionary, Rev. Eldon B. Sayre, after spending over six years in Southern Rhodesia, was present and gave an excellent account of his work. The Sunday school enrollment is up about 8 per cent but the average attendance is down 181. This might show good work in soliciting scholars and a lack in plan and efforts to hold their growing interest. The work is difficult these days.

The average preacher received \$1,922 for the year, plus in nearly every case his house rent. This is an increase also. The district superintendents each received \$2,600, plus house rent and utilities this year.

The camp meeting was well attended and the dormitories were well filled although the trustees built two new ones this year. The conference voted to build others. It was also voted to install gas on the grounds for cottages and tents. We all take courage and depend on God for increased vision, inspiration, and power to win souls for Him.

## SUMMARY OF PROCEEDINGS OF BOARD OF ADMINISTRATION

The annual meeting of the Board of Administration of the Free Methodist Church of North America convened at the headquarters, Winona Lake, Indiana, at 2 p.m., November 12, 1952. All the members of the Board were present except Hugh White and George Fuller, Jr., who were absent by reason of illness. A communication of sympathy and prayers for their recovery was ordered sent to each of these members by the secretary of the Board.

The by-laws of the corporation were amended to provide that the regular meetings of both the members and that of the Board of Directors may be held after October 15 and on or before November 15 in any year, time and place to be designated by the Board of Administration and/or the Board of Directors. Said amendments were also ordered to be placed in the respective by-laws of the General Missionary Board and the Free Methodist Publishing House.

The Board of Administration was ordered to convene at Winona Lake, Indiana, at 2 p.m., November 11, 1953, and the respective Commissions were ordered to set the dates of their respective Commissions sufficiently in advance of the Board of Administration meeting to have completed their work before the meeting of the Board.

The treasurer, A. S. Hill, gave his report, which was set forth in the audit by White, Bower and Prevo, and each member of the Board was supplied with a copy of the audit.

The Executive Commission under Paragraph 120, Section 5, is given permission to render an opinion when questions of law are presented to them. Pursuant to this, a question was addressed to them from the Southern California conference requesting a decision as to what constitutes a choir, as prohibited by our *Discipline*. The Executive Commission rendered the following opinion:

"It is the opinion of the Executive Commission that the intent of the Disciplinary prohibition of choirs in the Free Methodist Church applies to the maintenance of a group of designated singers to which is assigned chief responsibility for the singing worship of the church, supplanting or suppressing congregational participation and the spontaneity of Spirit-prompted worship in song. The law in question does not specify as forbidden the participation of voluntary groups who may on occasion be requested to render special singing for the edification of all."

The General Superintendent of the Y.P.M.S., Ernest Keasling, was authorized to plan for a meeting of the Free Methodist servicemen in Tokyo

in connection with the Youth for Christ Congress in 1953.

The Light and Life Men's Fellowship's request to solicit funds from men, and especially from members of the Fellowship, to care for the salary of a Director of Intermediate Youth, was approved subject to the provision that the solicitation be made on a local level within the organization itself.

The Board of Administration appropriated \$10,000 to the Light and Life Hour, one-third from the Publishing House and two-thirds from the General Administrative Expense.

The appointment by the Commission on Christian Education of Jack Mottweiler as Y.P.M.S. Western Regional Director to fill the vacancy caused by the resignation of George Delamarter was approved.

The budget of the General Missionary Board in the sum of \$450,697.91 was approved, which also includes permission for a campaign to raise \$30,000 for a South Africa hospital.

Bishop C. V. Fairbairn, as Director of the Prayer League, was authorized to approach each of the Commissions and the Board of Bishops with a request that each of them prepare brief calls to prayer in order to make a united call to prayer prior to the World Day of Prayer on February 22, 1953.

The Executive Commission, sitting also in its capacity as several boards, met for its opening sitting at 2:00 p. m., November 10, 1952, in the Bishops' Conference Room at the Publishing House, Winona Lake, Indiana, with Bishop L. R. Marston presiding. All members of the commission were present and eleven sittings were held.

*Executive Commission Business.* A. S. Hill, Director of Finance and General Church Treasurer, presented his report. This also included the annual audit by White, Bower and Prevo, certified public accountants of Detroit, Michigan, covering the fiscal year which closed September 30, 1952.

Appropriations to National organizations were made as follows: the National Association of Evangelicals \$1,000; the American Bible Society \$200 and the National Holiness Association \$200.

Ernest Keasling, Press Secretary, gave his report. By action of the commission, his work is to be expanded during the year, with the understanding that he will look to the Forward Movement Directors for guidance. A budget of \$2,500 was approved for this expanded program.

A policy was approved concerning transportation expense of officials and representatives attending general church gatherings, annual board meetings and official traveling throughout the denomination, of general church officers and field workers.

A. S. Hill, Transportation Secretary, made his report. On motion, he was instructed to write each of the Clergy Bureaus, expressing appreciation for the benefits received through the courtesy of the railroads.

Following a study of the action taken in 1933, regarding the Fidelity Fund, the commission reaffirmed the purpose of the church, when this fund has reached \$30,500, to transfer it to the Endowment Fund of the Commission on Christian Education.

Bishop Leslie R. Marston, C. Hoyt Watson and A. S. Hill were made a committee to receive and act upon requests for permission to appeal for financial help throughout the church.

Budget askings by the various commissions and boards were analyzed and approved for 1952-53.

Other matters acted on by the commission and approved by the Board of Administration, appear in detail in the report of the Board of Administration. These include: (a) Determination of the structure for 1953-54 of the General Service Fund, amounting to \$6.00; (b) changing the Articles of Incorporation of the Publishing House, so as to conform in a better way to requirements for tax exemption as a non-profit corporation; (c) interpretation of the *Discipline* regarding the use of church choirs in public worship; (d) naming of dates for special days on the church calendar of 1953.

*Board of Directors of the Free Methodist Publishing House.* B. H. Gaddis, Publishing Agent, gave his report. Special items in this report were: (a) Another entire denomination is now using our S. S. Literature. (b) The Publishing House is doing printing work along non-doctrinal lines for one of the larger National Council of Churches. (c) The work on the new Graded Series is proceeding satisfactorily. Writers have now been secured for all age levels.

Special attention was called to the remodeling on the second floor of the Publishing House for the Missionary Department and the Board of Bishops, and also to the much needed new addition to the mechanical department, now nearing completion. Action was taken commending and thanking the Publishing Agent and the Publishing House Committee for their fine work in this expansion program.

Approval was given to further remodeling of the second floor of the Publishing House, in order to provide offices for the General Church Treasurer and for the business office of the Light and Life Radio Hour.

Provision was made to employ, as soon as possible, an Assistant Publishing Agent.

An appropriation of \$1,000 was made to the John Wesley Seminary Foundation from publishing house profits.

*General Board of Conference Claimants.* The General Executive Secretary of the Board of Conference Claimants, A. S. Hill, gave his report. This showed that there were 40 new claimants added to the roll during 1951-52, making the total at the present time 495. The total budget for 1952-53 is \$104,072.67.

*The Light and Life Radio Board.* The Director, Myron F. Boyd, gave his report. The radio program ended its fiscal year without a deficit.

During the year, the radio program has been released over 11 missionary transmitters, 7 Canadian stations, 16 F.M. stations and 103 A.M. stations, making a total of 137 stations.

Efforts are being continued to obtain a Business Manager and to provide office quarters at the publishing house. A budget of \$150,000 was approved, with the understanding that the radio committee is authorized to extend this amount to \$170,000, if the added amount is for missionary outlets and the money is raised outside the regular channels.

*Board of Charities and Benevolences.* The church accredited charitable institutions brought satisfactory reports. These were: Gerry Homes, Gerry, New York; the Chicago Industrial Home for Children and the Old People's Rest Home, Woodstock, Illinois; the Life Line Children's Home, Kansas City, Kansas; the Deaconess Hospital, Oklahoma City, Oklahoma and the St. Louis Home of Redeeming Love in St. Louis. No representative was present from the Jolley Homes, Conyers, Georgia.

Recognition was given to the death, during the past year, of Rev. Hugh Hardy. He was for many years superintendent of the Life Line Children's Home. Plans were made for the committee on benevolences to visit the charitable institutions, if possible, during the coming year. Action was also taken, requesting the Ohio Conference, by its own action, to become identified as a whole, either with the territory of the Gerry Homes or with the Woodstock Homes.

*Church and Parsonage Aid Society.* In order to eliminate possible misunderstanding, everyone concerned is asked to emphasize the fact that this program is not insurance; consequently, assistance received is not the payment of "insurance" and payments by the churches are not the payment

of "premiums." To avoid confusion, such terms should not be used in connection with this plan of aid.

The limit under Paragraph 130 of the Discipline for the loss by fire of household furniture of ministers and superannuate preachers, was increased to \$2,500.

The above statement does not show the subscriptions received nor the printing and mailing expenses incurred, although it does reflect the excess of such expenses over subscriptions. Subscriptions received totaled approximately \$9,000.00 during the period under review. Since this is a substantial amount, we suggest that subscriptions should be received by the Sunday School Board and recorded as a receipt of this fund and that all expenses for publication of "The Sunday School" should be recorded as a disbursement of this fund.

Note †—No contribution was made to the National Holiness Association during the year ended September 30, 1951.

Note ‡—The Executive Commission determined that the printing and mailing expenses in excess of contributions received by the Publishing House for the publication "The Sunday School" which amounted to \$2,122.85 through February 29, 1952, was to be paid off by the Sunday School Board at the rate of \$500.00 per year. Accordingly

the entire amount of \$2,122.85 has been shown as a disbursement of the operating fund. Of this amount, \$500.00 was paid to the Publishing House during the year under review and the balance of \$1,622.85 is shown as a liability on the annexed balance sheet.

There are approximately 10,000 Free Methodist youth who are active in the Forward Movement of the church on all of our foreign mission fields. Conditions and customs vary in each country and distance makes accurate up-to-the-minute reporting from each individual field impossible. These youth, however, are writing one of the most glorious chapters of World Youth Crusade history.

## REPORT OF THE GENERAL MISSIONARY SECRETARY

I have the privilege as Missionary Secretary of reporting to the Commission on Missions for the eighth year. For the mercies of the Lord which have surrounded me in foreign travel, I am grateful.

The outstanding events of the year include the world tour of Mrs. Leroy McDowell and Mrs. J. M. Daniels, members of the Commission and official representatives of the Woman's Missionary Society. They have visited all our work in Africa, India, Japan and Formosa. Doctor Zahniser spent approximately four months in Africa, presiding over the conferences and mission meetings. This extended visit has given him an excellent insight into the problems of the fields in Africa. The Missionary Secretary visited Japan, Formosa, Hong Kong and the Philippines. This was his first visit to that area of world Free Methodism. The installation of Stanley Watkins as promotional secretary, with special responsibility for home-base cultivation has taken place during the year.

We have completed the first full year's functioning of the newly-established Cabinet. Several meetings have been held. The Cabinet has assisted in the preparation of the agenda for the annual meeting.

Recently we have moved to the spacious and excellently arranged offices on the third floor.

Last, but not least of the accomplishments of this year, is the return of the Japan Church to full-fledged membership in the world family of Free Methodism. This is a notable event; and it has significance not only for Japan, but for the evangelization of the Orient through the channels of the Free Methodist Church.

MEN AND MISSIONS: Last year 997 churches pledged \$46,576.03. This year 965 churches pledged \$62,822.53.

PENNY-A-DAY. 1951—\$75,737.00; 1952—\$84,511.81.

FAMINE RELIEF. 1951—\$12,540.06; 1952—\$15,677.45.

Famine conditions obtain on almost every mission field, attended with a high tuberculosis rate in Japan and starvation in India. Four-fifths of the world live in slum conditions. America and Western Europe are islands of plenty in a vast sea of misery. Our famine relief funds help lift the load by bringing relief to those who are in distress, and at the same time help provide for the long-time program of rehabilitation, including schools for the underprivileged, agricultural education, hospitals and clinics where none are otherwise provided, public health programs for villages, and the development and encouragement of cottage industries and other self-help programs.

FINANCES. Last year our contributions totaling \$515,000 represented an increase of \$90,000 over the preceding year. This was an all-time high. To maintain this high level of giving was an accomplishment. To increase it seemed too much to hope. This has been done. Total contributions this year are \$527,000, which of course is again a record.

This year the askings of the missionaries together with the general appropriations and operating expense total \$647,914.04.

GREENVILLE HOSPITAL. The March, 1952, meeting of the Commission voted to make the South Africa Hospital a special project for 1953, with Dr. C. H. Zahniser, Africa Secretary, spearheading a campaign to complete this building.

The Cabinet recommends that the Commission reaffirm its approval of this project, and that the Board of Administration be requested to grant permission to solicit funds for this project as an over-the-budget item. Current operations cannot be cut to provide this building. We cannot include it in the regular budget.

ALLOWANCES. Continued increases in the cost of living obtain on most fields. The proposed budget honors the mission requests for adjustment in living allowances. The budget increases the yearly allowance of missionaries on furlough by \$100.

SUNDAY SCHOOLS. Continued interest in Missions and generous response to world need by Free Methodist Sunday schools is much appreciated. A total of \$10,173.86 is reported through the channels of the Sunday school. This does not represent the total Sunday school giving to missions, since often these funds are sent through the W.M.S. or direct.

**YOUNG PEOPLE'S MISSIONARY SOCIETY.** The Y.P.M.S. NEWS is an excellent medium for release of missionary news. We thank Rev. Ernest Keasling, and the Regional Directors for building loyalty in the Y.P.M.S. membership to the great world missions program of the Free Methodist Church.

**WOMAN'S MISSIONARY SOCIETY.** The W.M.S. has reached another all-time high in missionary giving. We have received from them \$320,403.03 during the year.

**FORWARD MOVEMENT.** The General Conference adopted certain membership goals for the decade leading to the centennial of Free Methodism. It is expected, on the basis of past growth, that church membership on the mission fields will double during this period. In other words, an annual increase of 10 per cent is contemplated. Each missionary has received a letter from the Missionary Secretary emphasizing the most important business at hand—the salvation of lost men. Other activities, however good, must not deflect us from this great purpose.

At this crisis time in history, we face the danger either of surrender to pessimism and despair, or the temptation to adopt some hastily conceived short-cut in promoting the evangelization of a lost world.

On the other hand, we cannot hope to operate on a "business as usual" basis. Undoubtedly we are experiencing significant world change which will only be understood in the perspective of later years. We must take the current when and as it serves. We are asking ourselves:

1. Are there any new means at our disposal in meeting the urgent requests of our missionaries for additional workers?

2. Can missionaries turn their work more quickly to nationals, and be released for pioneer evangelism in the unreached areas?

3. Increasing numbers of our young people are prepared to go to the most difficult fields. What can we say to them?

4. How far have we gone in collecting all the missionary dollars of the church? What are the untapped resources of the church in respect to talent and treasure?

5. How far should we attempt to reach funds for Missions outside the church?

6. Are we working in the most strategic areas of human need and sin?

We ask your concern, your prayers and your co-operation in the work of this Commission as it relates to the world task of Free Methodist.

Respectfully,  
BYRON S. LAMSON

## REPORT OF EDWARD C. JOHN, FIELD SECRETARY FOR ASIA

Mr. Chairman and Members of The Commission on Missions:

I am very grateful for the privilege of reporting to The Commission on Missions for another year. First I want to report that I have victory. The Lord saves and sanctifies me entirely, and I believe that I have grown in grace this past year.

We have had a busy year traveling approximately 40,000 miles. The response and cooperation of the churches and pastors have been very fine. The conference W.M.S. and Y.P.M.S. presidents have been very kind in helping with our schedule. We have raised in cash, subscriptions and wills written a total of \$223,922.59.

My wife has traveled with me and has helped in the services. God has blessed our ministry by giving us many souls, and we have seen a number pray through to the experience of Holiness. We have been exhorting the people to pray for a world wide revival. We have enjoyed our work and earnestly covet your prayers.

The Missionary Secretary and the office force have been very kind and cooperative.

Respectfully,  
EDWARD C. JOHN

## REPORT OF C. H. ZAHNISER, FIELD SECRETARY FOR AFRICA

In the year 1951-52, from October 1st to November 3rd, I have traveled approximately 25,000 miles in the United States by automobile besides bus, train and plane travel, and another 15,000 miles to and from and within Africa. I estimate that I have spoken 170 times in the United States, and approximately 100 times in Africa. While in Africa, by appointment of the Missionary Secretary and the Commission on Missions, I held three native conferences, including the organization of the conference in Southern Rhodesia, and presided at three mission conferences. Every main station was visited and a number of outstations.

Although I have had approximately one half of the year out in foreign visitation, and have engaged in several chain conventions where a number of missionaries have been speaking, I have nevertheless raised \$19,945, and two pastors have promised to see that their churches will raise \$1,000 each on the new hospital in Pondoland. \$3,000 of the above amount has been in annuities.

A goodly number have knelt at an altar of prayer, some in the United States, but more in Africa. I have greatly appreciated the privileges of this year, especially in terms of acquaintance with our church and people, both at home and abroad. I trust that I shall be of greater service in the year ahead.

Respectfully,  
C. H. ZAHNISER

## REPORT OF THE CORRESPONDING SECRETARY

The Executive Committee of the General Woman's Missionary Society of the Free Methodist Church met in their rooms at the Free Methodist Publishing House, Winona Lake, Indiana, November 4-7, 1952, to hold their annual meetings. All members were present.

Mrs. Beeson, treasurer, reported a net gain in missionary receipts of \$29,087 over last year, or a total of \$337, 197.12. Per capita giving of W.M.S. members, \$13.90.

Membership increase, including active and honorary members, is 432. Conferences heading the list in numerical gains are Wabash 113, West Ontario 103, and Oil City 99. Items showing a decided gain over last year as shown by the Statistical Report of the corresponding secretary are: 396 more individuals reported having read the Bible through, or a total of 1,768; a gain of 2,378 prayer partners, or a total of 11,679; a gain of 554 missionary meetings held, or a total of 11,451.

The W.M.S. Literature Department under the supervision of Miss Eula E. Mudd is doing a splendid job of supplying missionary groups with missionary and other religious literature. Despite the increased cost of books and material Miss Mudd reported a profit on the sale of books and supplies.

21,700 copies of the *Missionary Tidings* were sent out in November, according to the report of the editor, Miss Alice E. Walls, or an increase of 649 over a year ago.

The J.M.S. report revealed that 2,142 Juniors were converted during the year, and 776 joined the church. \$46,074.34 of the missionary receipts came through J.M.S. channels.

Thank-offering for 1952-53 will go to work in the Philippines.

Gifts from the Contingent Fund are as follows: \$1,000 to the work in Formosa; \$500 to be used for the church or for the purchase of the lot in Taira, Japan; \$500 for two Public Address Systems, one for Germiston and one for Witbank in the Transvaal; \$500 for mimeograph and school supplies for Inhamaxafo, Portuguese East Africa; \$300 for girls' dormitory kitchen in Inhamaxafo, Portuguese East Africa; \$1,300 for purchase of Miss Southworth's residence in Runza, India, for mission property; \$500 for completion of Lundi school building.

LUCY K. KELLUM, Gen. Cor. Sec.
